Dear Property Owner:

Your appeal has been processed and your property located at 16107 GULF Boulevard has been determined to be Not Substantially Damaged.

You must contact the Building Department to start the permitting process by **April 9, 2025**. Permits are required, and failure to obtain a required permit is a violation of state law. Restoration work – beyond emergency work – that is done before a permit is issued will not be approved and must be removed. We regret your loss and the damage you have experienced, and our entire staff will do our best to help you through the permitting process.

The Towns of Redington Beach and Redington Shores participate in the National Flood Insurance Program. Failing to enforce floodplain damage requirements can jeopardize the community discount and participation in the program losing eligibility for flood insurance, disaster assistance and federally backed loans and grants for all our citizens.

Thank you in advance for your cooperation and assistance.

Respectfully,

Robert Peebles
Building Official
